

## Dynamic Physical Therapy PC Celebrates 17th Anniversary!

Dynamic Physical Therapy PC Proud of Success. Thanks Employees, Customers, Suppliers and Friends for Their Support.

**I**n a proud statement issued from their company headquarters, Dynamic Physical Therapy PC announced that 2010 is the 17th Anniversary of the founding of their business. The company was started in 1993, the same year that the midwest was hit with the worst flooding on record. There were more than 20,000 people who were forced from their homes throughout Illinois, Iowa, and Missouri in July.

### What Else Happened in 1993?

New York topped the U.S. population list with over 7 million people. Los Angeles was a distant second with 3 million. Other cities that topped the list were: Chicago, Houston, Philadelphia, San Diego, and Detroit.

With all these new little people running around, Barney was becoming Mr. Popular with a new talking Barney doll.

The entertainment world lost a classic TV show his year. *Cheers* was taken off the air after 14 yrs.

Raymond Burr (76), Vincent Price (82), Hervé Villechaizé (50), and Lillian Gish (99) were all famous people who had passed away this year.

### Sports & Entertainment

**I**n the entertainment world everyone was talking about Steven Spielberg's box office hit *Jurrasic Park*. The *Dinosaur* infatuation began and the film blew away *E.T.*'s world record of \$701 million by earning nearly \$900 million.

In the sports world everyone was crushed by Michael Jordan's retirement from basketball. Little did they know that he would return!

The big winners in sports this year were: the Chicago Bulls NBA, Montreal Canadians NHL, Toronto Blue Jays MLB, and the Dallas Cowboys NFL.

In the music world we were listening to artists like Celine Dion, Vince Gill, Melissa Etheridge, and Pearl Jam. The song of the year was Eric Clapton's "Tears in Heaven".

*Why should we start doing business with some "Johnny-Come-Lately"?*  
Dynamic Physical Therapy PC has been successful for 17 years!

Yes, when you think about it, things have changed a lot in 17 years. But, after all this time there are some things which have remained the same.

One good thing is that Dynamic Physical Therapy PC is still around and thriving after 17 years of hard work and lots of dedication by everyone involved...and most importantly, caring about customers who helped us reach this milestone.
